The Midwest Innovations calendar has been modified by removing presidents day as a non-paid holiday (we will work) and making Labor day (September 15), Columbus Day (October 10th), Veterans Day (November 11th) optional based on the number of calamity days worked. Midwest will decide one month ahead if we will be open or closed, but the plan will be to be open. Due to the nature of "Day-Hab" services, Midwest Innovations may only be paid for a maximum of 240 days per year. Holidays that are marked "paid" are paid for Midwest staff and not our enrollees of our program.
